AFTER

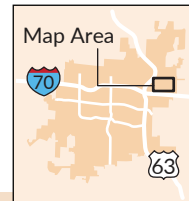

Headlines upper/lower case, try to make one line unless graphic is 1 column, and make it active if possible.

Line stuff up!

Traffic-slowing on agenda

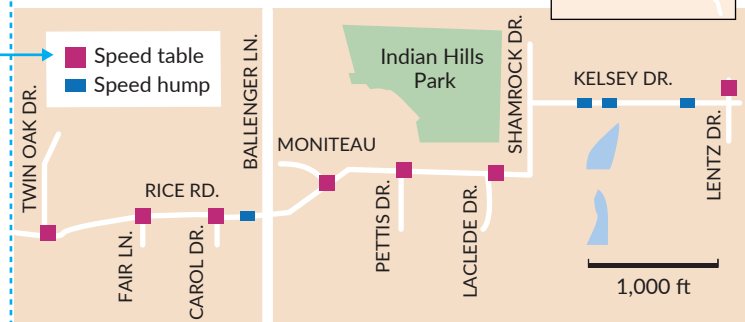

Abbreviate months if there is a date with it.

The city of Columbia is considering installing speed humps and speed tables to slow traffic on Rice Road and Kelsey Drive. **City council will vote Nov. 21 on a proposal that would cost \$72,000.**

Can put inset above map, next to intro, if no room on the map. Don't reduce its size from the template

Key box does not need an outline. Can be a little transparent.

Don't need north arrow unless you are changing the orientation
